Energetic, social, happy, coy, cuddly – all these describe our precious Maggie. She was always on the go with a need to be in the middle of every gathering. Her smile lit up the room and her little head tilt melted the hearts of anyone around her. Maggie passed away in July 2008 due to complications during a procedure to correct a congenital heart defect.

She blessed us with the most amazing 14 months of life, and instilled in us a passion to help other families with whom we share a common bond. We determined that we could keep the wonderful memories we have of Maggie alive while also giving back to the organization which helped us in our time of need.

Thus, our commitment to Children's Heart Foundation began. By sponsoring and/or participating in this event, you will partner with us and with CHF to continue reaching its goals.

With heartfelt gratitude,
 John & Mollie Stewart
