Nevada Department of Education Summary of Testing Irregularities School Year 2009-2010

District	Carson City	Case #	13-903-10-01	Date	08-Mar-10
School	Pioneer HS	Status	Case resolved		
Exam	HSPE	Grade/Subject	Reading & Math, Grade 10		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	A student was texting during the reading test. No compromise of test content is believed to have occurred. Another student used a calculator on the math test, but he did not have an accommodation plan that allowed it.				

District	Churchill	Case #	01-401-10-01	Date	09-Mar-10
School	Churchill County HS	Status	Case resolved		
Exam	HSPE	Grade/Subject	Math, Grade 10		
Type of Incident	Improper Test Administration	State Corrective Action	None required		
Summary	A student left the testing session and took an unsupervised break. He then proceeded to the testing area designated for students who needed additional time to complete the test. The test administrator in that room misunderstood directions and allowed the student to complete the test. A procedure has been put in place to require verification of students reporting to the second testing area.				

District	Churchill	Case #	01-301-10-01	Date	04-Mar-10
School	Churchill County JHS		Status	Case resolved	
Exam	CRT	Grade/Subject	Grade 8		
Type of Incident	Improper Test Administration	State Corrective Action	None required		
Summary	Two students were entitled to have the science test read aloud to them, but the teacher had a different version of the test booklet than the students were using. The school's training materials have been revised to include a check for the teacher to have same test version as the students who receive read-aloud accommodations.				

District	Churchill	Case #	01-207-10-01	Date	01-Mar-10
School	Numa ES		Status	Case resolved	
Exam	CRT	Grade/Subject	Grade 5		
Type of Incident	Improper Test Administration	State Corrective Action	None required		
Summary	A student took Math Part 1 without being provided a calculator, as allowed in his IEP. Part 2 was administered correctly. To supplement test administration training in the future, the school plans to conduct special training two weeks prior to testing to cover accommodation procedures.				

District	Clark	Case #	02-420-10-01	Date	18-Nov-09
School	Advanced Technologies Academy		Status	Case resolved	
Exam	HSPE	Grade/Subject	Writing, Grade 11		
Type of Incident	Improper Test Administration	State Corrective Action	None required		
Summary	A teacher mistakenly allowed a student to return to the test following an unsupervised break. Additional training has been provided to emphasize proper testing procedures.				

District	Clark	Case #	02-617-10-01	Date	09-Mar-10
School	Agassi College Preparatory Academy		Status	Case resolved	
Exam	CRT	Grade/Subject	Grades 6, 7, 8		
Type of Incident	Improper Test Administration	State Corrective Action	State Board suspended license for 100 days.		
Summary	Eight students were permitted to complete their tests after being dismissed from the testing session.				

District	Clark	Case #	02-617-10-02	Date	04-May-10
School	Agassi College Preparatory Academy		Status	Case resolved	
Exam	HSPE	Grade/Subject	Math, Grade 12		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	Students were instructed to put their phones away prior to testing. Two students kept their phones and were observed sending text messages about two test problems to a student in another class.				

District	Clark	Case #	02-108-10-01	Date	18-Mar-10
School	Beatty ES		Status	Case resolved	
Exam	CRT	Grade/Subject	Grades 3, 4, 5		
Type of Incident	Improper Test Administration	State Corrective Action	None required		
Summary	A poster containing money equivalency conversions was displayed on the wall of a classroom during testing. Procedures for an appropriate testing environment have been reviewed with the teacher.				

District	Clark	Case #	02-236-10-01	Date	19-Apr-10
School	Bell ES	Status	Case resolved		
Exam	CRT	Grade/Subject	Grade 5		
Type of Incident	Improper Test Administration	State Corrective Action	None required		
Summary	A teacher read Part 1 of the reading test aloud to seven students. Once notified of the irregularity, administration ensured proper testing procedures for the remainder of the assessment. The teacher indicated that he misunderstood the students' accommodations.				

District	Clark	Case #	02-138-10-01	Date	23-Mar-10
School	Bendorf ES	Status	Case resolved		
Exam	CRT	Grade/Subject	Grade 4		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	Two students were texting each other during the test. The messages were not related to test content.				

District	Clark	Case #	02-411-10-01	Date	09-Mar-10
School	Bonanza HS	Status	Case resolved		
Exam	HSPE	Grade/Subject	Math & Reading, Grade 10		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	A student was observed texting during the test. The phone was confiscated and examined. No compromise of test content is believed to have occurred.				

District	Clark	Case #	02-307-10-01	Date	23-Feb-10
School	Bridger MS	Status	Case resolved		
Exam	CRT	Grade/Subject	Grade 7		
Type of Incident	Improper Test Administration	State Corrective Action	None required		
Summary	Two teachers allowed students to listen to iPods during the test.				

District	Clark	Case #	02-307-10-02	Date	10-Feb-10
School	Bridger MS	Status	Case resolved		
Exam	Writing	Grade/Subject	Grade 8		
Type of Incident	Multiple Answer Documents	State Corrective Action	None required		
Summary	The school submitted two completed answer documents for a student. The second score has been deleted from the Departments data files, and the school has been instructed to revise its procedures to ensure that students only test once.				

District	Clark	Case #	02-306-10-01	Date	09-Feb-10
School	Brinley MS	Status	Case resolved		
Exam	Writing	Grade/Subject	Grade 8		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	A student attempted to use a rough draft that she had completed outside of the testing session.				

District	Clark	Case #	02-348-10-01	Date	01-Mar-10
School	Cadwallader MS	Status	Case resolved		
Exam	CRT	Grade/Subject	Grade 8		
Type of Incident	Improper Storage/Distribution of Test Materials	State Corrective Action	None required		
Summary	A teacher picked up his testing materials, arrived at the assigned testing room, and discovered that it was locked. He left the box of testing materials in the hallway next to the classroom door while he tried to locate the test coordinator. All materials were accounted for, and no compromise of test content is believed to have occurred.				

District	Clark	Case #	02-158-10-01	Date	17-Mar-10
School	Cartwright ES	Status	Case resolved		
Exam	CRT	Grade/Subject	Grades 3, 4, 5		
Type of Incident	Unauthorized Disclosure of Test Content	State Corrective Action	None required		
Summary	While answer documents were being checked for stray marks, a copy was made of a student's constructed response because it was humorous. Staff were reprimanded for their actions.				

District	Clark	Case #	02-409-10-01	Date	18-Nov-09
School	Chaparral HS	Status	Case resolved		
Exam	HSPE	Grade/Subject	Writing, Grades 11 & 12		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	When students were instructed to store their electronic devices and personal items before testing began, two students became irate and disruptive, and refused to cooperate.				

District	Clark	Case #	02-409-10-02	Date	09-Mar-10
School	Chaparral HS	Status	Case resolved		
Exam	HSPE	Grade/Subject	Math, Grades 10 & 11		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	Two students were observed using unauthorized items during the test.				

District	Clark	Case #	02-415-10-01	Date	18-Nov-09
School	Cheyenne HS	Status	Case resolved		
Exam	HSPE	Grade/Subject	Writing, Grade 11		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	A student removed a dictionary from his pocket and looked up the spelling of a word.				

District	Clark	Case #	02-415-10-02	Date	09-Mar-10
School	Cheyenne HS	Status	Case resolved		
Exam	HSPE	Grade/Subject	Math, Reading, Science, Grade 10		
Type of Incident	Multiple Irregularities	State Corrective Action	None required		
Summary	A teacher did not sign test booklets in and out, left the test booklets on a desk, and dismissed students for lunch. A student removed a science test from the classroom, but the booklet was later recovered. The teacher was removed from the remainder of the testing process and received disciplinary action.				

District	Clark	Case #	02-415-10-03	Date	11-Mar-10
School	Cheyenne HS	Status	Case resolved		
Exam	HSPE	Grade/Subject	Math, Reading, Science, Grades 10, 11, 12		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	Seven students were in possession of cell phones and iPods during testing.				

District	Clark	Case #	02-415-10-04	Date	05-May-10
School	Cheyenne HS	Status	Case resolved		
Exam	HSPE	Grade/Subject	Writing, Grade 12		
Type of Incident	Testing Ineligible Students	State Corrective Action	None required		
Summary	A student with only 8.5 credits took the writing assessment in May. Because the May administration is restricted to graduating seniors, the paper was not scored. The school will more carefully identify graduation-ready seniors in the future.				

District	Clark	Case #	02-414-10-01	Date	17-Nov-09
School	Cimarron Memorial HS	Status	Case resolved		
Exam	HSPE	Grade/Subject	Math, Grade 12		
Type of Incident	Improper Test Administration	State Corrective Action	None required		
Summary	Calculators were mistakenly issued to a group of fifteen students who were not entitled to the accommodation. Test materials boxes will be verified against testing rosters and will be double-checked prior to issuing materials to testing rooms in the future.				

District	Clark	Case #	02-401-10-01	Date	17-Nov-09
School	Clark HS	Status	Under review		
Exam	HSPE	Grade/Subject	Math, Grade 12		
Type of Incident	Multiple Irregularities	State Corrective Action	Pending review		
Summary	A teacher left test booklets on her desk and turned her back for a moment. A student removed a booklet from the testing room, gave it to two friends in the restroom and returned to class. One of the students in the restroom tore the test into small pieces and disposed of it.				

District	Clark	Case #	02-335-10-01	Date	04-Mar-10
School	Cortney JHS	Status	Case resolved		
Exam	CRT	Grade/Subject	Grade 8		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	A student was observed texting during the test. The messages did not contain test content.				

District	Clark	Case #	02-342-10-01	Date	10-Feb-10
School	Cram MS	Status	Case resolved		
Exam	Writing	Grade/Subject	Grade 8		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	A student was observed listening to an iPod during the test.				

District	Clark	Case #	02-609-10-01	Date	18-Nov-09
School	Desert Pines HS	Status	Case resolved		
Exam	HSPE	Grade/Subject	Writing, Grade 12		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	A student was observed texting during the test. The messages were not related to test content.				

District	Clark	Case #	02-410-10-01	Date	16-Nov-09
School	Eldorado HS	Status	Case resolved		
Exam	HSPE	Grade/Subject	Math & Reading, Grades 11 & 12		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	Five students were observed using cell phones while testing.				

District	Clark	Case #	02-608-10-01	Date	10-Mar-10
School	Foothill HS	Status	Case resolved		
Exam	HSPE	Grade/Subject	Writing, Grade 11		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	Two students were observed using cell phones during the test. Phones and tests were confiscated immediately and checked for potential compromise. No breach of test content occurred.				

District	Clark	Case #	02-302-10-01	Date	05-Mar-10
School	Garside JHS	Status	Case resolved		
Exam	CRT	Grade/Subject	Grade 7		
Type of Incident	Improper Test Administration	State Corrective Action	None required		
Summary	Thirteen students used dictionaries on the reading test. The school's test administration training materials have been revised to emphasize that dictionaries are not permissible on the CRT.				

District	Clark	Case #	02-923-10-01	Date	05-May-10
School	Global Community HS	Status	Case resolved		
Exam	HSPE	Grade/Subject	Writing, Grade 12		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	Two students were observed copying each other's responses.				

District	Clark	Case #	02-278-10-01	Date	09-Feb-10
School	Gray ES	Status	Case resolved		
Exam	Writing	Grade/Subject	Grade 5		
Type of Incident	Improper Test Administration	State Corrective Action	None required		
Summary	Students used privacy folders affixed to desktops during testing.				

District	Clark	Case #	02-261-10-01	Date	24-Jun-10
School	Harmon ES	Status	Case resolved		
Exam	CRT	Grade/Subject	Grade 5		
Type of Incident	Late Return of Test Materials	State Corrective Action	None required		
Summary	Two test booklets and completed answer documents were stored in a locked closet and were not returned to the testing vendor with the school's test materials. The students had tested in a special setting. Their test materials were accounted for on the return documentation, but they were not physically counted when materials were packaged for return to the testing vendor. The student's papers were hand-scored.				

District	Clark	Case #	02-209-10-01	Date	11-Feb-10
School	Herron ES	Status	Case resolved		
Exam	Writing	Grade/Subject	Grade 5		
Type of Incident	Improper Test Administration	State Corrective Action	None required		
Summary	A teacher deviated from the scripted directions and provided testing strategies to four students.				

District	Clark	Case #	02-210-10-01	Date	21-Apr-10
School	Hewetson ES	Status	Case resolved		
Exam	CRT	Grade/Subject	Grade 5		
Type of Incident	Improper Test Administration	State Corrective Action	None required		
Summary	A student was incorrectly identified as Limited English Proficient on the testing roster and took the science test with accommodations. The school has revised its procedures to include a review of the testing roster and verification of which students are to test with accommodations.				

District	Clark	Case #	02-940-10-01	Date	20-Nov-09
School	High Desert Medium Security Prison	Status	Case resolved		
Exam	HSPE	Grade/Subject	Science, Grade 10		
Type of Incident	Improper Storage/Distribution of Test Materials	State Corrective Action	None required		
Summary	Materials were counted incorrectly when being packaged for return, and an unopened pack of test booklets were left in locked, secure storage. The booklets were recovered and returned, and no compromise of test content is believed to have occurred.				

District	Clark	Case #	02-202-10-01	Date	24-Feb-10
School	Hoggard ES	Status	Case resolved		
Exam	CRT	Grade/Subject	Grade 5		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	Two students attempted to assist one another during the test.				

District	Clark	Case #	02-350-10-01	Date	09-Mar-10
School	Hughes MS	Status	Case resolved		
Exam	CRT	Grade/Subject	Grade 8		
Type of Incident	Improper Test Administration	State Corrective Action	None required		
Summary	A teacher told students as they entered the testing room that calculators were prohibited, but as the testing session progressed, several students used them. The teacher did not monitor student activity appropriately, and has received further training. In the future, two trained, licensed staff members will be assigned to testing rooms to ensure proper monitoring of student activity.				

District	Clark	Case #	02-182-10-01	Date	12-Apr-10
School	Iverson ES	Status	Case resolved		
Exam	CRT	Grade/Subject	Grade 5		
Type of Incident	Missing Test Materials	State Corrective Action	None required		
Summary	A teacher signed out test booklets according to school procedures, was missing a booklet an hour later, and asked for another. The teacher was informed of the seriousness of the situation, and a thorough search was conducted. To date, the booklet has not been recovered. The teacher received disciplinary action per district regulations and procedures.				

District	Clark	Case #	02-407-10-01	Date	03-Mar-10
School	Jeffrey Behavior	Status	Case resolved		
Exam	CRT	Grade/Subject	Grade 6		
Type of Incident	Multiple Answer Documents	State Corrective Action	None required		
Summary	A student was suspended and was administered the examination prior to leaving campus. When he returned, he was scheduled for a make-up test, and took the examination again. The second set of scores has been deleted, and the school has revised its procedures to prevent future occurrences.				

District	Clark	Case #	02-332-10-01	Date	03-Mar-10
School	Keller MS	Status	Case resolved		
Exam	CRT	Grade/Subject	Grade 7		
Type of Incident	Improper Test Administration	State Corrective Action	None required		
Summary	Students were released for unsupervised breaks, then allowed to return to the test. Procedures have been reviewed with staff since the occurrence.				

District	Clark	Case #	02-332-10-02	Date	24-Feb-10
School	Keller MS	Status	Case resolved		
Exam	CRT	Grade/Subject	Grade 6		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	A student who did not have an IEP accommodation plan attempted to use a calculator on the math test.				

District	Clark	Case #	02-418-10-01	Date	11-Mar-10
School	Las Vegas Academy	Status	Case resolved		
Exam	HSPE	Grade/Subject	Math & Science, Grade 10		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	A student's cell phone rang during the test.				

District	Clark	Case #	02-428-10-01	Date	17-Nov-09
School	Liberty HS	Status	Case resolved		
Exam	HSPE	Grade/Subject	Math, Grade 12		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	A student was observed viewing his iPod during the test.				

District	Clark	Case #	02-428-10-02	Date	18-Nov-09
School	Liberty HS	Status	Case resolved		
Exam	HSPE	Grade/Subject	Writing, Grade 11		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	A student was observed using his cell phone during the test.				

District	Clark	Case #	02-428-10-03	Date	09-Mar-10
School	Liberty HS	Status	Case resolved		
Exam	HSPE	Grade/Subject	Reading, Grade 10		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	A student was observed using her cell phone during the test.				

District	Clark	Case #	02-331-10-01	Date	02-Mar-10
School	Lied MS	Status	Case resolved		
Exam	CRT	Grade/Subject	Grade 8		
Type of Incident	Unauthorized Disclosure of Test Content	State Corrective Action	None required		
Summary	A teacher glanced down at a test booklet while students were testing and had questions about the benchmarks. No compromise is believed to have occurred, and the teacher was reminded that it is not permissible to look at test content.				

District	Clark	Case #	02-270-10-01	Date	24-Feb-10
School	Long ES	Status	Case resolved		
Exam	Alternate Assessment	Grade/Subject	Grade 3		
Type of Incident	Improper Test Administration	State Corrective Action	None required		
Summary	Video equipment malfunctioned during testing, and the students were retested.				

District	Clark	Case #	02-141-10-01	Date	26-Jan-10
School	Lummis ES	Status	Case resolved		
Exam	Writing	Grade/Subject	Grade 5		
Type of Incident	Improper Storage/Distribution of Test Materials	State Corrective Action	None required		
Summary	A teacher made a copy of the prompt so she could read the directions from the prompt instead of from the administration manual. She misplaced the copy, but it was located the following morning in her locked classroom. The copy was destroyed, and the teacher received a reprimand.				

District	Clark	Case #	02-356-10-01	Date	04-Mar-10
School	Mack MS	Status	Case resolved		
Exam	CRT	Grade/Subject	Grade 6		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	A student was observed using notes during the test.				

District	Clark	Case #	02-424-10-01	Date	08-Mar-10
School	Mojave HS	Status	Case resolved		
Exam	HSPE	Grade/Subject	Math, Grade 10		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	A student was observed texting during the test. The phone was confiscated and examined for test content. The messages were not related to test content.				

District	Clark	Case #	02-283-10-01	Date	27-Jan-10
School	Ober ES	Status	Case resolved		
Exam	Writing	Grade/Subject	Grade 5		
Type of Incident	Improper Test Administration	State Corrective Action	None required		
Summary	A teacher deviated from the scripted directions and instructed a student to read her rough draft aloud before submitting her work. The student was not permitted to make changes to her draft.				

District	Clark	Case #	02-253-10-01	Date	02-Mar-10
School	Priest ES	Status	Case resolved		
Exam	CRT	Grade/Subject	Grade 5		
Type of Incident	Improper Test Administration	State Corrective Action	None required		
Summary	Two students tested during the morning, and were dismissed for lunch before they completed the testing session. They were permitted to finish the examination after an unsupervised period of time.				

District	Clark	Case #	02-403-10-01	Date	16-Nov-09
School	Rancho HS	Status	Case resolved		
Exam	HSPE	Grade/Subject	Science, Grades 11 & 12		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	Four students were observed communicating with one another during the test.				

District	Clark	Case #	02-403-10-02	Date	09-Mar-10
School	Rancho HS	Status	Case resolved		
Exam	HSPE	Grade/Subject	Math, Grade 12		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	A student used an unauthorized formula sheet containing example questions.				

District	Clark	Case #	02-403-10-03	Date	03-May-10
School	Rancho HS	Status	Under review		
Exam	HSPE	Grade/Subject	Science, Grade 12		
Type of Incident	Multiple Irregularities	State Corrective Action	Pending review		
Summary	A student obtained a copy of the test and produced a study guide.				

District	Clark	Case #	02-235-10-01	Date	04-Mar-10
School	Red Rock ES	Status	Under review		
Exam	CRT	Grade/Subject	Grade 4		
Type of Incident	Improper Test Administration	State Corrective Action	Pending review		
Summary	A teacher allegedly provided inappropriate assistance to fourteen students on the math test.				

District	Clark	Case #	02-160-10-01	Date	25-Feb-10
School	Rhodes ES		Status	Case resolved	
Exam	CRT	Grade/Subject	Grade 5		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	A student removed a dictionary from his desk and looked up a word.				

District	Clark	Case #	02-201-10-01	Date	17-Mar-10
School	Ronzone ES		Status	Case resolved	
Exam	CRT	Grade/Subject	Grade 3		
Type of Incident	Improper Test Administration	State Corrective Action	None required		
Summary	A teacher did not take the administration manual into the testing room, and therefore did not follow directions appropriately. He read the reading test aloud to three students. For the future, the school will ensure that all teachers are equipped with necessary materials for testing.				

District	Clark	Case #	02-096-10-01	Date	23-Feb-10
School	Roundy ES	Status	Under review		
Exam	CRT	Grade/Subject	Grades 3, 4, 5		
Type of Incident	Improper Test Administration	State Corrective Action	Pending review		
Summary	Students were permitted to use dictionaries on the examinations.				

District	Clark	Case #	02-354-10-01	Date	09-Feb-10
School	Saville MS	Status	Case resolved		
Exam	Writing	Grade/Subject	Grade 8		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	A student was hiding a cell phone behind her test papers and was observed texting. The phone was immediately confiscated and checked for breach of test content.				

District	Clark	Case #	02-354-10-02	Date	05-Mar-10
School	Saville MS	Status	Case resolved		
Exam	CRT	Grade/Subject	Grades 6 & 8		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	Two students were observed using cell phones during the test.				

District	Clark	Case #	02-427-10-01	Date	09-Mar-10
School	Shadow Ridge HS	Status	Case resolved		
Exam	HSPE	Grade/Subject	Math, Grade 10		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	Three students were observed using cell phones and talking during examinations. Students were informed of correct procedures prior to test administration.				

District	Clark	Case #	02-611-10-01	Date	16-Nov-09
School	Sierra Vista HS	Status	Case resolved		
Exam	HSPE	Grade/Subject	Math, Grade 11		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	A student was in possession of her cell phone during the test.				

District	Clark	Case #	02-611-10-02	Date	18-Nov-09
School	Sierra Vista HS	Status	Case resolved		
Exam	HSPE	Grade/Subject	Writing, Grade 12		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	A student was observed listening to an iPod in the testing room.				

District	Clark	Case #	02-611-10-03	Date	08-Mar-10
School	Sierra Vista HS	Status	Case resolved		
Exam	HSPE	Grade/Subject	Math & Science, Grade10		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	A student was being loud, disruptive and uncooperative during testing. He was escorted out of the testing room.				

District	Clark	Case #	02-611-10-04	Date	09-Mar-10
School	Sierra Vista HS	Status	Case resolved		
Exam	HSPE	Grade/Subject	Math, Grade 10		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	Two students were observed talking and looking at each other's tests.				

District	Clark	Case #	02-611-10-05	Date	01-Mar-10
School	Sierra Vista HS	Status	Case resolved		
Exam	HSPE	Grade/Subject	Writing, Grade 12		
Type of Incident	Improper Test Administration	State Corrective Action	None required		
Summary	A teacher did not follow administration directions for the alternative writing assessment, and allowed a non-permissible submission. The portfolio was not scored.				

District	Clark	Case #	02-421-10-01	Date	09-Mar-10
School	Silverado HS	Status	Case resolved		
Exam	HSPE	Grade/Subject	Reading, Grade 10		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	A student was observed texting during the test. The messages did not contain test content.				

District	Clark	Case #	02-431-10-01	Date	19-Nov-09
School	Spring Valley HS	Status	Case resolved		
Exam	HSPE	Grade/Subject	Science, Grade 11		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	Two students were observed communicating with each other verbally, and one student was using her cell phone during the test.				

District	Clark	Case #	02-431-10-02	Date	09-Mar-10
School	Spring Valley HS	Status	Case resolved		
Exam	HSPE	Grade/Subject	Math, Reading, Science, Grade 11		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	A student was observed using his cell phone while testing.				

District	Clark	Case #	02-431-10-03	Date	10-Mar-10
School	Spring Valley HS	Status	Case resolved		
Exam	HSPE	Grade/Subject	Writing, Grade 11		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	A student repeatedly attempted to communicate with another student during the test.				

District	Clark	Case #	02-431-10-04	Date	05-May-10
School	Spring Valley HS	Status	Case resolved		
Exam	HSPE	Grade/Subject	Writing, Grade 12		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	A student left the testing session briefly to use the restroom. It was later discovered that she had her cell phone in her possession during that time, although students were instructed not to have them on their person. The phone was confiscated and examined. No compromise of test content is believed to have occurred.				

District	Clark	Case #	02-241-10-01	Date	18-Mar-10
School	Sunrise Acres ES	Status	Case resolved		
Exam	CRT	Grade/Subject	Grade 5		
Type of Incident	Improper Test Administration	State Corrective Action	None required		
Summary	Two teachers misread the directions and translated part of the test for fourteen students. The school is reviewing procedures with all staff.				

District	Clark	Case #	02-191-10-01	Date	01-Mar-10
School	Tartan ES		Status	Awaiting corrective action	
Exam	CRT	Grade/Subject	Grades 3 & 4		
Type of Incident	Missing Test Materials	State Corrective Action	The school will provide documented evidence that secure materials are accounted for at each step of the testing process.		
Summary	Two test booklets were lost and have not been recovered because materials were not inventoried accurately. The testing cabinet keys were also stored in an unlocked desk drawer instead of a location that ensured limited access.				

District	Clark	Case #	02-404-10-01	Date	04-May-10
School	Valley HS		Status	Case resolved	
Exam	HSPE	Grade/Subject	Reading & Science, Grade 12		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	Two students copied other students' responses onto their answer documents.				

District	Clark	Case #	02-404-10-02	Date	09-Mar-10
School	Valley HS		Status	Case resolved	
Exam	HSPE	Grade/Subject	Reading, Grade 10		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	While taking the science test, a student returned to the reading test he had taken on a previous day.				

District	Clark	Case #	02-301-10-01	Date	02-Mar-10
School	Von Tobel MS	Status	Case resolved		
Exam	CRT	Grade/Subject	Grade 7		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	A student was observed looking at another student's answer document.				

District	Clark	Case #	02-330-10-01	Date	19-Mar-10
School	West Prep Academy	Status	Case resolved		
Exam	HSPE	Grade/Subject	Writing, Grade 12		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	A peer reviewer edited and wrote comments on another student's paper for the alternative assessment.				

District	Clark	Case #	02-405-10-01	Date	08-Mar-10
School	Western HS	Status	Case resolved		
Exam	HSPE	Grade/Subject	Math, Reading, Science, Grade 10		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	Eight students were observed with unauthorized items, and three were being uncooperative and disruptive while testing.				

District	Clark	Case #	02-405-10-02	Date	16-Nov-09
School	Western HS	Status	Case resolved		
Exam	HSPE	Grade/Subject	Math, Reading, Science, Grades 11 & 12		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	Nine students were observed talking to each other, texting, and using cell phones during the test.				

District	Clark	Case #	02-405-10-03	Date	03-May-10
School	Western HS	Status	Case resolved		
Exam	HSPE	Grade/Subject	Writing, Grade 12		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	A student was observed texting during the test. No compromise of test content is believed to have occurred.				

District	Douglas	Case #	03-501-10-01	Date	16-Nov-09
School	Douglas HS	Status	Case resolved		
Exam	HSPE	Grade/Subject	Reading & Science, Grade 11		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	Two students were observed using cell phones while testing.				

District	Douglas	Case #	03-501-10-02	Date	19-Nov-09
School	Douglas HS	Status	Case resolved		
Exam	HSPE	Grade/Subject	Math, Grade 12		
Type of Incident	Improper Test Administration	State Corrective Action	None required		
Summary	A student's testing accommodation plan allowed for calculator use, but the test administrator misread the documentation and did not provide the student with a calculator.				

District	Douglas	Case #	03-205-10-01	Date	17-Sep-09
School	Meneley ES	Status	Case resolved		
Exam	Writing	Grade/Subject	Grade 5		
Type of Incident	Unsupervised Students with Test Materials	State Corrective Action	None required		
Summary	A teacher misread the schedule and arrived late to the testing room for Session Two of the pilot test. The unlicensed proctor had resumed testing from the previous day. Because students and materials were not under direct supervision of licensed personnel, the students' scores were not included in data analysis.				

District	Elko	Case #	04-603-10-01	Date	09-Mar-10
School	Elko HS	Status	Case resolved		
Exam	HSPE	Grade/Subject	Science, Grade 11		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	One student used a cell phone, and another student used an iPod during the test.				

District	Humboldt	Case #	07-501-10-01	Date	17-Nov-09
School	Lowry HS	Status	Case resolved		
Exam	HSPE	Grade/Subject	Reading, Grade 11		
Type of Incident	Improper Test Administration	State Corrective Action	None required		
Summary	A student was allowed to use a calculator, but he did not have a testing accommodation plan that allowed it. He was testing in a small-group setting with other students who were entitled to calculator use, and the test administrator assumed that all of the students in the room were permitted to use the calculators. Procedures have been put in place to ensure that each test administrator is provided with detailed documentation regarding students' accommodations prior to testing.				

District	Humboldt	Case #	07-501-10-02	Date	16-Nov-09
School	Lowry HS		Status	Case resolved	
Exam	HSPE	Grade/Subject	Math, Grade 11		
Type of Incident	Testing Ineligible Students	State Corrective Action	None required		
Summary	A student who transferred to the school from another district was allowed to test, but she was credit deficient and had only completed two semesters of high school. The answer document was voided and not scored. The school plans to be more diligent in requesting student transcripts to verify testing eligibility in the future.				

District	Humboldt	Case #	07-601-10-01	Date	19-Nov-09
School	McDermitt HS		Status	Case resolved	
Exam	HSPE	Grade/Subject	Math, Reading, Science, Grade 12		
Type of Incident	Multiple Irregularities	State Corrective Action	None required		
Summary	A teacher left students unattended while testing. The district conducted a thorough investigation to determine whether cheating occurred during the teacher's absence. No evidence of cheating existed, and the answer documents were locked in a cabinet, with the intent of submitting them for scoring. Afterward, the district test coordinator was out of the office for medical reasons, and the documents remained in the cabinet past the return deadline. The testing vendor hand-scored the tests.				

District	Humboldt	Case #	07-201-10-01	Date	10-Mar-10
School	Sonoma Heights ES	Status	Case resolved		
Exam	CRT	Grade/Subject	Grade 3		
Type of Incident	Unauthorized Disclosure of Test Content	State Corrective Action	None required		
Summary	A teacher glanced at a math graphic while students were testing. She looked at the test question, believed it to be unanswerable, and emailed the district test coordinator with her findings. The teacher received a letter of admonition to be placed in her personnel file. Further violations may result in disciplinary action.				

District	Lander	Case #	08-601-10-01	Date	19-Nov-09
School	Battle Mountain HS	Status	Case resolved		
Exam	HSPE	Grade/Subject	Science, Grade 11		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	A student was observed with a cell phone in the testing room.				

District	Lyon	Case #	10-209-10-01	Date	10-Mar-10
School	Cottonwood ES	Status	Case resolved		
Exam	CRT	Grade/Subject	Grades 3, 4, 5		
Type of Incident	Testing Interrupted	State Corrective Action	None required		
Summary	The school was evacuated due to smoke entering the building. Testing was interrupted and materials were unsecured for a short time. The school followed emergency procedures and resumed testing. All materials were accounted for.				

District	Lyon	Case #	10-201-10-01	Date	10-Mar-10
School	Dayton ES		Status	Case resolved	
Exam	CRT	Grade/Subject	Grade 4		
Type of Incident	Improper Test Administration	State Corrective Action	None required		
Summary	A substitute teacher read Part 1 of the reading test to four students. It was later discovered that the teacher had not received test administration training for the 2009-2010 school year. The school has revised its training procedures, including documenting names of individuals who were absent for training. Those individuals will not be permitted to administer state assessments.				

District	Lyon	Case #	10-304-10-01	Date	10-Mar-10
School	Silver Stage MS		Status	Case resolved	
Exam	CRT	Grade/Subject	Grade 5		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	A student smuggled a multiplication chart into the testing room.				

District	Mineral	Case #	11-203-10-01	Date	16-Feb-10
School	Hawthorne JHS		Status	Case resolved	
Exam	Writing	Grade/Subject	Grade 8		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	One student assisted another with the spelling of a word.				

District	Nye	Case #	12-106-10-01	Date	10-Mar-10
School	Amargosa Valley School	Status	Case resolved		
Exam	CRT	Grade/Subject	Grade 5		
Type of Incident	Improper Test Administration	State Corrective Action	None required		
Summary	A teacher did not read the directions from the test administration manual and instructed students to write a minimum of five sentences for their constructed responses.				

District	Nye	Case #	12-108-10-01	Date	11-Mar-10
School	Johnson ES	Status	Case resolved		
Exam	CRT	Grade/Subject	Grades 3, 4, 5		
Type of Incident	Improper Storage/Distribution of Test Materials	State Corrective Action	None required		
Summary	A set of keys that included keys to the testing cabinet was located in the mail room. The surveillance camera indicated that the keys had been unattended in the mail room for approximately one and one half hours. No one used the keys, and they were returned to the test coordinator. New procedures for maintaining key security have been put in place since the incident.				

District	Nye	Case #	12-313-10-01	Date	23-Feb-10
School	Round Mountain MS	Status	Case resolved		
Exam	CRT	Grade/Subject	Grade 7		
Type of Incident	Improper Test Administration	State Corrective Action	None required		
Summary	A teacher allowed a student to complete the test after excusing the student for lunch. She reported the incident immediately upon realizing her mistake.				

District	Pershing	Case #	14-201-10-01	Date	27-Jan-10
School	Lovelock ES	Status	Case resolved		
Exam	Writing	Grade/Subject	Grade 5		
Type of Incident	Testing Interrupted	State Corrective Action	None required		
Summary	Students and teachers were evacuated due to a small fire in the building. Two of the students had not completed testing at the time of the evacuation, and they were not permitted to interact with peers during this time. Students returned to the classroom, all materials were accounted for, and testing was completed.				

District	Pershing	Case #	14-201-10-02	Date	22-Feb-10
School	Lovelock ES	Status	Case resolved		
Exam	CRT	Grade/Subject	Grade 4		
Type of Incident	Improper Storage/Distribution of Test Materials	State Corrective Action	None required		
Summary	A teacher left test booklets in an unlocked classroom for approximately thirty minutes during lunch. All materials were intact and accounted for, and no compromise of test content is believed to have occurred. After the incident, an additional training meeting was conducted to remind staff of proper test security procedures.				

District	Pershing	Case #	14-201-10-03	Date	25-Feb-10
School	Lovelock ES	Status	Case resolved		
Exam	CRT	Grade/Subject	Grade 3		
Type of Incident	Student Cheating/Misconduct	State Corrective Action	None required		
Summary	Two students were observed talking and passing notes about test questions.				

District	Pershing	Case #	14-601-10-01	Date	16-Nov-09
School	Pershing County HS		Status	Case resolved	
Exam	HSPE	Grade/Subject	Reading, Grade 11		
Type of Incident	Testing Ineligible Students	State Corrective Action	None required		
Summary	A student who had already passed the test was placed on the testing roster and was permitted to test. Her answer document was not submitted for scoring. For future test administrations, the school will check the student enrollment files provided by the Department prior to preparing testing rosters.				

District	State Public Schools	Case #	18-903-10-01	Date	05-May-10
School	Independence HS		Status	Case resolved	
Exam	HSPE	Grade/Subject	Writing, Grade 11		
Type of Incident	Multiple Irregularities	State Corrective Action	None required		
Summary	Identical papers were discovered during the scoring process. A student passed his rough draft to another student as he approached the front of the room to turn in his completed answer document. Classroom proctors did not account for all secure materials when collecting answer documents, providing an opportunity for students to share responses. The school has since revised its security procedures.				

District	State Public Schools	Case #	18-405-10-01	Date	18-Nov-09
School	Nevada Connections Academy		Status	Case resolved	
Exam	HSPE	Grade/Subject	Reading, Grade 11		
Type of Incident	Unsupervised Students with Test Materials	State Corrective Action	None required		
Summary	A student who needed additional time for testing was left unsupervised for a brief time. The student did not have access to instructional materials or communication devices during that time. The teacher was required to submit to the test coordinator a written plan illustrating how these situations should be handled in the future.				

District	State Public Schools	Case #	18-405-10-02	Date	25-Jan-10
School	Nevada Connections Academy		Status	Case resolved	
Exam	Writing	Grade/Subject	Grade 5		
Type of Incident	Testing Ineligible Students	State Corrective Action	None required		
Summary	A parent sent an elder sibling of a student to take the examination in his place. The student was signed in with his sibling's name, and the error was not noticed until the same student reported for the grade seven CRT. The parent has accepted full responsibility in writing for the violation. To prevent future occurrences, the school has put a procedure in place for verifying the identity of its younger students.				

District	State Public Schools	Case #	18-405-10-03	Date	10-Feb-10
School	Nevada Connections Academy		Status	Case resolved	
Exam	Writing	Grade/Subject	Grade 8		
Type of Incident	Testing Ineligible Students	State Corrective Action	None required		
Summary	Two State charter schools were administering the assessment in locations next door to each other. Neither school verified student identification prior to testing, and each school tested one student enrolled at the other school. The schools have revised procedures so that upon arrival at the testing location, student names are checked against pre-made testing rosters.				

District	State Public Schools	Case #	18-405-10-04	Date	09-Mar-10
School	Nevada Connections Academy		Status	Case resolved	
Exam	HSPE	Grade/Subject	Writing, Grade 11		
Type of Incident	Improper Test Administration	State Corrective Action	None required		
Summary	A student reported for the math test on Tuesday. The only other examination he was required to take was writing, which is administered only on Wednesday of testing week. The weather was inclement, and the student's mother asked if the writing test could also be administered that day, so it would not be necessary to travel to the testing location the following day. The proctor administered both tests in an isolated environment.				

District	State Public Schools	Case #	18-405-10-05	Date	18-May-10
School	Nevada Connections Academy	Status	Case resolved		
Exam	HSPE	Grade/Subject	Math, Grade 12		
Type of Incident	Multiple Irregularities	State Corrective Action	None required		
Summary	The test coordinator had been off campus. In her absence, a credit-deficient student was permitted to test because her eligibility was not verified prior to testing. Additionally, test materials were shipped to the testing vendor past the return deadline. For the future, a calendar of testing activities and deadlines will be distributed to all staff, and grade-level eligibility will be confirmed prior to test administration.				

District	State Public Schools	Case #	18-404-10-01	Date	10-Feb-10
School	Nevada Virtual Academy	Status	Case resolved		
Exam	Writing	Grade/Subject	Grade 8		
Type of Incident	Testing Ineligible Students	State Corrective Action	None required		
Summary	Two State charter schools were administering the assessment in locations next door to each other. Neither school verified student identification prior to testing, and each school tested one student enrolled at the other school. The schools have revised procedures so that upon arrival at the testing location, student names are checked against pre-made testing rosters.

School	Moss ES	Status	Case resolved		
Exam	CRT	Grade/Subject	Grade 6		
Type of Incident	Improper Test Administration	State Corrective Action	None required		
Summary	A student was absent for the math test. When he returned, the class was taking the reading test. He began the math test, but the teacher instructed him to take the reading test with his class. He stopped the math test after completing three questions, and was permitted to finish the test after being excused for lunch. The school's training materials have been revised to provide better guidance for these situations.				

District	Washoe	Case #	16-607-10-01	Date	17-Nov-09
School	North Valleys HS	Status	Case resolved		
Exam	HSPE	Grade/Subject	Math, Grade 11		
Type of Incident	Multiple Irregularities	State Corrective Action	None required		
Summary	A student left the testing room with a test booklet. The student left campus, but returned later. The booklet was recovered in the student's backpack. Since the occurrence, the teachers who were responsible for testing activities in the classroom have been retrained in security protocol. No compromise of test content is believed to have occurred during the time the student was truant.
