Senator Bob Beers is at it again!

Senator Beers would like you to believe he has the support of the men and women who put their lives on the line everyday to keep our community safe.

But it is simply not true.

In these uncertain times, we need leaders we can depend on, leaders we can trust.

That's why the men and women of the Las Vegas Police Protective Association and every other major law enforcement organization in our community support ***Allison Copening for State Senate.***
