

**If my lips
are moving,
you know
I'm lying.**

**Senator Beers wants you to believe officers in our community support him.
IT IS SIMPLY NOT TRUE!**

Southern Nevada Conference of Police and Sheriffs

Las Vegas, NV. 89134

LAS VEGAS POLICE OFFICERS SUPPORT **ALLISON COPENING** FOR STATE SENATE.

Senator Beers says it is “silly”
*(LVRJ 10/27/08) to believe that
NO police support him.

IT IS SILLY TO BELIEVE WE DO.

When our officers asked Senator
Beers to help put more Police in your
neighborhoods he said **NO**.
*(AB 418 2005 Legislature)

Yet he voted to let teachers take guns to
elementary school because he thought it
would make our schools safer.

The officers of our departments know
that is a **dangerous idea** and so should
Senator Beers.

*That's why police officers from every major
law enforcement organization in Las Vegas,
Henderson, North Las Vegas and the
School District support Allison Copening.*

*Our officers know Allison Copening will help
put more officers on our street to keep you,
your family and you neighborhood safe.*
