Car Mouse Insurance™

The Car Mouse™ Replacement Plan provides comprehensive coverage from day one. 4Door's plan covers all of its Optical Wireless Car Mouse products with no deductibles or other hidden charges. Its comprehensive, bumper-to-bumper coverage protects against all types of damage, including: mechanical breakdown, crashes, theft, fire, acts of god, parental repossession, beverage or water damage, earthquake, floods, drops, falling rocks, animal consumption, jealous friends or family members stepping on it, and anything else that typical insurance companies will exclude from coverage. The plan offers a onetime product replacement. Contact Four Door Media for additional details.
