Dear Ms. Gentry:

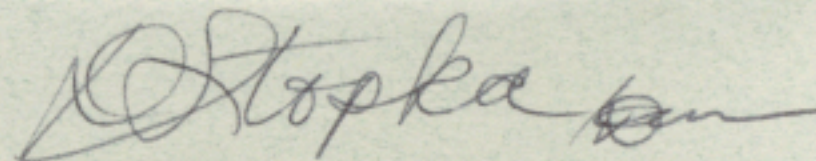

Each complaint received by the Internal Affairs Section is thoroughly and impartially investigated. A recent complaint, regarding the conduct of a department employee, has prompted an investigation.

On July 9, 2009, a complaint was made with this office alleging misconduct of an employee of the Las Vegas Metropolitan Police Department. It is imperative that we get a complete statement or further information from you. This can be done by arranging a time to come into the Internal Affairs Office for a tape recorded interview, or by contacting Detective Daniel Stopka and providing the needed information in a handwritten, or typed, detailed statement (delivered, mailed, or faxed to our address at 7221 W. Charleston, Las Vegas, Nevada 89117).

If we are unable to obtain a statement from you by July 20, 2009, this case may be completed without your full account of the incident. Please be assured that it is our desire to provide the best possible service at all times.

Sincerely,

**DOUGLAS GILLESPIE, SHERIFF**
