

Dear

Senator Harry Reid symbolizes everything that's wrong with Washington, D.C.

He's out of touch, oblivious to what Americans feel and contemptuous of what Republicans think.

He's a Washington insider, a 43-year professional politician, wildly partisan, disconnected from reality and disengaged from everyday life.

**Frankly, Democrat Senate Majority Leader Harry Reid acts as if he doesn't even know America anymore.**

While he revels in his liberalism, he sticks it to families, seniors and small business owners. Sadly, he's forgotten that these are the people who are critical to our nation's economy.

Of course, he's an adamant supporter of "ObamaCare"... he wants the government to take over health care and spend \$1.1 trillion in just the next 10 years!

He pushed for the bailout of bankrupt car companies... he pushed for the wrong-headed "cash-for-clunkers" program... and he pushed for the \$800 billion "stimulus" spending.

Barack Obama, with the big time help of Harry Reid, has already spent more money than every single President combined since George Washington.

**I think the people have had enough... that's one of the reasons a recent poll by the Las Vegas Review-Journal shows me defeating Harry Reid by 11%!**

He even had the audacity to say that the very same newspaper, Nevada's largest, should "go out of business"... he apparently doesn't care about the hundreds of jobs it provides.

At a time when the United States has a high unemployment rate, Harry Reid's comments are especially troubling and reinforce the fact that he's utterly out-of-touch!

Your strong, early, enthusiastic and generous support for \$25, \$50, \$100, \$250, \$500 or more will help me build upon my winning momentum and be victorious over Senator Harry Reid's Washington cash -- he has repeatedly said that he is focused on raising \$25 million for his re-election campaign.

When things get tough, Harry Reid gets rude, testy, irritable and agitated. His speeches are poisonously partisan and he's a know-it-all who believes he's too important to be wrong.

I've looked at his liberal voting record and I'm convinced that he's wrong on the issues and Americans deserve better.

There's something immediate and concrete you can do to help me defeat the man who craves power, loves big government, hates Republicans and thinks all wisdom resides in Washington.

Will you join my nation-wide campaign team today by making a generous gift of \$25, \$50, \$100, \$250, \$500 or more?

As I told my wife Amy the other day, 'So what if all the liberal lobbyists in Washington, D.C. are for Harry Reid? If everyday Nevadans and Americans are for me, we can get rid of this guy once and for all.'

My common sense political philosophy is based on constitutional conservatism. As a small business owner, I believe firmly in limited government and oppose the government takeover of private sector industries. I'm committed to lower taxes and reduced government spending.

Will you help me now with a special contribution?

You can make a personal statement in this race.

Please say "YES." I need you on my team.

Sincerely yours,

*Danny Tarkanian*

P.S. The polls prove I can beat Harry Reid. The majority of Nevadans and Americans disapprove of the job he's doing. Now I need your financial support as a member of my nation-wide campaign team to win. Will you do it? Many thanks!
