

John Ensign

U.S. Senator, Nevada

As I am sure you are aware, I admitted last year to making the worst mistake of my life. In addition to causing great pain to my family, friends, and supporters, that mistake has also resulted in a difficult legal battle.

I have taken responsibility for my actions and worked hard to become a better husband, father, friend, and senator, but I have been accused of doing things I absolutely did not do.

A liberal organization, CREW, has filed an ethics complaint against me, which has led to considerable legal fees. I have paid those fees personally up to this point. And as difficult as it is for me to ask you, I need your help to refute these charges and wage a successful legal defense.

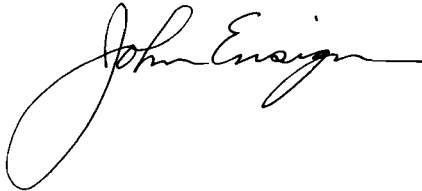

To that end, I have formed a legal defense fund and am asking friends and supporters like you to help by making a personal contribution. Personal contributions of up to \$10,000.00 are allowed*. Any amount you could give would be greatly appreciated.

Please make a check payable to John Ensign Legal Expense Trust Fund to make a contribution. Checks can be mailed to:

John Ensign Legal Expense Trust Fund
3235 South Rainbow Boulevard
Suite 101
Las Vegas, NV 89146

Please know it continues to be the greatest honor of my life to serve my fellow Nevadans during times of such consequence to our state and nation.

Thank you so much for your consideration.

*If you are a registered lobbyist, a foreign agent, foreign national, or U.S. Senate employee, please disregard this letter as you are unable under Senate rules to contribute to such a legal expense trust fund.
