Subject: Please notify North Las Vegas Police

To Whom It May Concern,

We'd like to THANK YOU for taking time to read our e-mail...and we would like to say we're sorry (please forgive us) but we didn't know who else to email. We have no friends, neighbors or family that we could trust to do what we feel needs to be done... the added stress because of our failing eyesight due to complications from diabetes (as well as other ailments) has made this our only choice. Our Mommy and Daddy are already in heaven and since we had to put our Baby Flit (our puppy) to death...his death finally broke our already breaking hearts... we just got tired of trying - without any monetary encouragement (which unfortunately seems to be the only thing in this life that has any worth) - we hope you will help two strangers... who are very sorry for adding any stress to your life... to get cremated.
Thanks again for helping us.

Sincerely,

Lisa C. Napper and Veda A. Napper

P.S. Please notify the North Las Vegas Police that hopefully we have died and our bodies (and wills) are in our home at 4524 Pony Express Street, North Las Vegas, NV 89031 (We would have sent our e-mail directly to the Police but it would have gone instantly to them).
