Subject: City of North Las Vegas Master Plan
Proposal Withdrawal
Project Number: 56.7063
File Code: 1C

Dear Sam:

Due to the present political controversy surrounding the proposal for the City of North Las Vegas Master Plan Services, we feel the most appropriate course of action is to withdraw our proposal at this time.

Should the political situation be resolved at some point in the future, we would be happy to resume discussions with the City of North Las Vegas as to how to move forward in a productive manner.

Thank you again for your efforts in the matter. We appreciate the opportunity to work with the City and hope we get a chance again soon.

Sincerely,
