

## Clark County School District

### **No Child Left Behind**

Congratulations to Clark County School District students, staff and parents.  
The CCSD as a district made Adequate Yearly Progress (AYP) in 2007-08.

### **Exemplary, High Achieving Schools**

#### **2 Exemplary**

Miller, John Elementary School  
Walker International Elementary School

#### **17 High Achieving**

Crestwood Elementary School  
Culley Elementary School  
Deskin Elementary School  
Gray Elementary School  
Miller, John Elementary School  
Vanderburg Elementary School

Lyon Middle School  
Mannion Middle School

Advanced Technology Academy  
Boulder City High School  
College of Southern Nevada High School- East  
College of Southern Nevada High School- South  
College of Southern Nevada High School- West  
Global Community High School  
Las Vegas Academy  
Virtual High School

## Other Highlights 2007-2008

**AYP STATUS:** CCSD is the only one of the top 10 largest school districts in the United States to achieve AYP last year. And we are the only district reporting such, so far this year. (Only 6 of the top 10 released results.)

**BEST PRACTICES:** CCSD was named a "Best Practices" school district by the American Productivity & Quality Center.

**TOP MAGNET SCHOOLS:** Eight Clark County schools received recognition from Magnet Schools of America. Only 120 schools in the nation were recognized by this organization as Schools of Distinction or Schools of Excellence.

**OTHER TOP SCHOOLS:** Six of CCSD's high schools were named in U.S. News and World Report's feature on the best high schools in America.

**TAXPAYER'S AWARD:** CCSD's Facilities Division received the Nevada Taxpayer Association's Good Government Award for its energy-saving program.

**CTAs:** CCSD continues to expand its CTA program, which provides students with a specific career path of study. The East CTA will open its doors on August 25 and another new CTA for the west side of the valley is currently in the planning stages.

**HONORS PROGRAMS:** CCSD's Honors and Advanced Placement programs continue to grow. Of the nearly 15,000 CCSD graduates this year, 2,291 received Honors diplomas while 2,619 graduates received Advanced diplomas.

**MILLENNIUM SCHOLARSHIP:** CCSD students continue to meet the requirements for the state's Millennium Scholarship program. This past year, 5,874 graduates met the requirements and are each eligible for up to \$10,000 in funds over four years.

## 2007-2008 No Child Left Behind (NCLB) Data

The information presented in this document requires approval from the CCSD Board of School Trustees. The official results will be released by the Nevada Department of Education after August 1, 2008.

Some NCLB requirements are set by the federal government, while others are determined by individual states. Here in Nevada, the legislature and the Department of Education have established rigorous NCLB standards.

The school district will continue to take steps to improve academic achievement. Great things – learning and achieving -- are happening in our public schools every day.

**CALCULATING AYP:** Adequate Yearly Progress (AYP) measures specific state-defined standards that increase over time. Each school is divided into nine subgroups, which must meet targets in the following subject areas: English/Language Arts, math proficiency, participation and other indicators. That's a total of 37 targets each school must meet to reach AYP status. If even one subgroup does not meet the targets, the entire school does not make AYP.

**HOW TO READ THE CHARTS:** Each of the District's 351 comprehensive schools is listed on the left hand side of the chart. The first column next to the school name indicates whether or not the school made AYP. The second column provides additional details (see legend).

**Legend:** *AYP-Adequate Yearly Progress; EX-Exemplary; HA-High Achieving; W-Watch List; N-Needs Improvement (number indicates year).*
