HAND DELIVER

RE: Arbitration

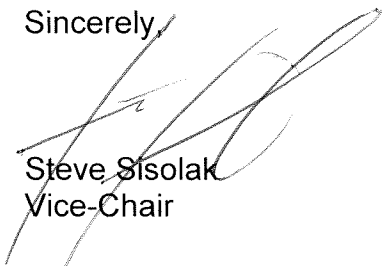

Dear Don:

As you know, the decision issued by the arbitrator yesterday further underscores the need to act on allegations of sick leave abuse by IAFF Local 1908 affiliates.

I believe the pattern of systematic abuse warrants further inspection by local, state and federal officials. I have sought the opinions of Sheriff Doug Gillespie, District Attorney David Roger, Attorney General Catherine Cortez Masto, and FBI Special Agent in Charge Kevin Favreau to investigate this matter and conclude whether federal charges are warranted.

I am also asking for a County audit of sick leave usage. I will keep you abreast of any changes in this matter as I become aware of them.

Sincerely,

  
Steve Sisolak  
Vice-Chair
