- a. An employee must submit an application package to Clark County Human Resources within six (6) months from: (1) the time of injury, or (2) discovery through examination. The six (6) month period is defined as calendar days. This application package shall include the physician's report of disability, a list of doctors the employee has seen concerning the disability and a signed release of medical records enabling Clark County Human Resources to obtain records from the listed doctors.
- b. The County will send, within ten (10) calendar days after receiving the application packet, a copy of the employee's release of medical records form to each doctor designated by the employee requesting copies of all medical records.
- c. There shall be two (2) doctors independently selected, one by the employee and one by the County. The employee shall notify Clark County Human Resources within ten (10) calendar days from the date of application for Article 28 benefits of the doctor he/she has selected and has verified will issue a report of his/her eligibility for long-term disability benefits.
- d. The County will send, within ten (10) calendar days after receiving all medical records, a complete packet to both doctors for review and evaluation.
- e. If the reports from the two doctors are in conflict, these doctors will select a third doctor to make an independent determination. This third doctor will not receive the evaluative reports from the first two doctors. The

employee's eligibility for long-term disability benefits provided by this Article shall be determined by two consistent medical reports. Each doctor shall send copies of their final reports to the Union and to the County. The employee and County shall equally pay for all costs incurred in this process, including all medical examinations of the employee and time devoted to overall evaluation of the case.

3. If any two of these doctors determine that an employee can perform the duties of any of the classifications covered in Appendix A, a position shall be offered to that employee by the Fire Chief, without reduction of salary or benefits for a two (2) year period. If the employee does not perform the duties under these conditions, the employee is not entitled to Article 28 benefits. After the two (2) year period, the employee's salary and benefits will be converted to the salary and benefits provided by this Agreement for the classification and work schedule he/she is working. On the first day after the two (2) years in the position, the employee must be converted to 8-hour benefits. The conversion shall be accomplished through the following changes in benefits:

- a. Sick leave:

- (1) A conversion factor of 1.4 shall be used to convert sick leave benefits.

Example:

24-hour shift converts to 8-hour shift:

$2400 \text{ hours} \div 1.4 = 1714.29 \text{ hours}$

- (2) When a 24-hour shift employee is converted to an 8-hour position and the unused sick leave accumulation is in excess of 800 hours after using the 1.4 conversion factor, the converted hours will become the employee's maximum allowable accumulation for sick leave cash-out purposes.

Example:

$2400 \text{ 24-hour shift hours} \div 1.4 = 1714.29 \text{ maximum hours}$

- b. Vacation leave:

- (1) A conversion factor of three (3) 24-hour shift hours for every one (1) 8-hour shift hours shall be used to convert vacation leave benefits.

Example:

24-hour shift converts to 8-hour shift:

$$720 \div 3 = 240 \text{ hours}$$

- (2) The difference in hours when a 24-hour shift employee is converted to an 8-hour shift employee may be used by the employee during the remainder of the calendar year. If the employee does not use these hours by December 31, the employee shall be paid for such hours at the last held and tested 56-hour shift position base rate.

Example:

24-hour shift hours are converted to 8-hour shift hours

$$720 \text{ hours} \div 3 = 240 \text{ hours}$$

$$720 \text{ hours} - 240 \text{ hours} = 480 \text{ hours difference}$$

Employee uses 200 of the 480 hours between the date of conversion and December 31.

$$480 \text{ hours} - 200 \text{ hours} = 280 \text{ hours}$$

280 hours X last held and tested 56-hour shift position base rate = cash payment

- c. All future salary and benefits shall be calculated based on the permanent 40-hour per week assignment.

If any two of these doctors determine that an employee cannot perform the duties of any of the classifications covered in Appendix A, the employee is entitled to Article 28 benefits. The County will send within ten (10) calendar days after receiving two such doctors' reports a letter summarizing the benefits ~~payment options~~ **award**. Once Clark County Human Resources notifies an employee of the benefits payment options, the employee must ~~select either lump sum or biweekly payment and~~ separate from County employment within 45 calendar days if not already separated. If the employee fails to provide the County with the appropriate information within the time limitations as specified in this Article, the employee will no longer be authorized vacation or sick leave compensation.

4. If mutually agreed before a deadline, either Clark County Human Resources or the Union may request in writing an extension of the time limitations.

- 5. Employees who have applied for the Article 28 benefit prior to the effective date of this agreement, and are approved for the Article 28 benefit prior to or after the effective date of this agreement, but who have not yet received such benefit as of the date of this agreement, are eligible to receive either the current benefit, or the prior benefit in place as of June 30, 2011, but not both. The choice of benefit is the employee's and shall be made in writing**

to the Human Resources Department with fifteen (15) calendar days from the effective date of this Agreement.

- 6. Employees who apply for the Article 28 benefit after the date of this Agreement shall be eligible for the award described in this Article.**

The County and the Union are adamantly opposed to the presence or use of drugs and/or alcohol and the adverse influence these substances have on the work performance and safety of its members. The County and the Union recognize that a substance abuse policy shall establish guidelines for the appropriate disciplining of those substance abusers who, through their actions, affect the safety and well being of others.

GUIDING PRINCIPLES:

There are four guiding principles underlying the adoption of this policy. They are:

- A. Education – The County and Union believe that education and training of all employees in the effects and treatment of substance abuse will contribute to a safer and more efficient workplace for everyone.
- B. Deterrence - The County and Union are committed to eliminating the effects of substance abuse in the workplace. All employees are prohibited from using, possessing, buying or selling drugs or alcohol in the workplace, and are prohibited from reporting to work or being subject to work (specifically on standby or on break) with prohibited drugs active in their systems or while under the influence of alcohol.
- C. Enforcement - The substance abuse policy will be strictly enforced. Violations of the policy or procedures will be cause for discipline, up to and including termination of employment.

The County and the Union encourage employees with an alcohol and/or drug problem to disclose the problem and seek assistance.

If the employee chooses to notify only his/her supervisor, then that supervisor shall then notify his/her supervisor and the FASM. The FASM shall then notify the Fire Chief, EAP and the Union president.
 - 2) An employee shall not be permitted to enter the voluntary disclosure program if any portion outlined in Section 6 of the SAP "Reasonable Suspicion" has been observed and/or if the employee has been involved in a vehicle accident, which may require a drug screening, and if the testing procedures outlined in Section 4 have been properly initiated.
 - 3) If the employee is an eligible member of a bargaining Unit, the first on scene supervisor shall advise him/her of his/her right to have a Union representative present prior to testing. The supervisor shall allow thirty (30) minutes for a Union representative to appear. If mitigating circumstances warrant, the supervisor may wait up to a maximum of one (1) hour for a Union representative.

If the employee does not have any sick leave on the books, the employee shall be placed on annual leave. - 7) Prior to returning to work the employee shall contact the FASM and shall then submit to one (1) alcohol and/or drug test, based on the type of self-disclosure. Once the test results are received, the employee shall attend a return-to-work meeting with the EAP, FASM and if they chose, a Union representative. The meeting shall facilitate a smooth transition back into the work force and shall also establish a return to work date for the employee.
- 8) Once the employee has successfully returned to work, he/she shall make himself/ herself available to the EAP once a month, for a one-year period from the start of the program, for any needed aftercare. This may occur on-duty, but if the employee chooses to go to the EAP off-duty then the employee shall do so on his/her own personal time.
